Sub: Finalization of Fee Structure for PTC/CP Ed.

The committee considered your representation and other relevant factors of fee fixation. After detailed deliberations and consideration of all the aspects the Committee recommends to fix the maximum ceiling of fee at Rs.20,000/- per annum, per student, for a period of three years commencing from 2006-07 for all the member institutes of your Association for PTC/CP Ed. courses.

As per the judgment of Hon. Supreme Court the fee fixed by the Committee shall be binding for a period of three years, at the end of which period the institute would be at liberty to apply for revision. Once fees are fixed by the Committee, the institute cannot charge either directly or indirectly any other amount over and above the amount fixed as fees. If any other amount is charged under any other head or guise e.g. donations the same would amount to charging of capitation fees. The Government/appropriate authorities would be free to take necessary action including any penalty like cancellation of recognition/affiliation as the case may be against such institutions.

All the member institutes of your Association may be informed to take note of the above. You may also submit list of your member institutes showing address contact phone/fax nos. etc. of the institutes and contact persons therein at the earliest.
